from SKF Industries

Dear Mr. Hartsell:

A Special Waste approval was granted to you in a letter dated September 18, 1986, for the disposal of liming and knobbing sludge from SKF Industries, Bremen, Indiana, at the Prairie View Landfill, St. Joseph County. This letter amends the September 18, 1986, approval as follows:

The volume shall be changed from 60 cubic yards, one time only, and 120 cubic yards thereafter to 500 cubic yards per year.

The expiration date shall be changed from October 30, 1987, to December 31, 1987.

All other conditions of the September 18, 1986, approval shall remain unchanged.

If you have any questions, please contact Mr. Steve Wolfe at AC 317/232-3413.

Very truly yours,

*DL* David D. Lamm
